Course Policies and Procedures

In order for a student to be successful in Japanese 2, Semester 1, the student must:

- study vocabulary at least fifteen minutes daily.
- do all activities in the course (those for a grade as well as those that are for student enrichment only).
- take notes that can be used to study Japanese outside of class.
- be motivated to work independently.
- stay in frequent, close communication with the online Japanese teacher.

The course must be worked through in order and all activities must be done. Many of the self-check activities can be done over and over again which will serve very beneficial to the student who is motivated to use this course as an effective delivery system. It is imperative that the student read all of the information in the About the Course area of this course before getting started. There is vital information in the "Welcome!," "Standards," and "Getting Started" sections.

Software, Hardware, and System Requirements

The student's computer should meet these [basic system requirements](#). For help determining your computer's basic configuration, visit this [browser check page](#).
