

Mandarin Chinese Course Details

Full Year Course

Course Objectives

Throughout the course, students will

- talk about what they like to do in their free time
- talk about their daily activities using a wide range of vocabulary and reflexive verbs
- talk about animals and things animals do
- talk about the parts of their body and their function
- describe people

Course Policies and Procedures

In order for a student to be successful in Chinese 2, Semester 1, the student must:

- study vocabulary at least fifteen minutes daily.
- do all activities in the course--those for a grade as well as those that are for student enrichment only.
- take notes that can be used to study Chinese outside of class.
- be motivated to work independently.
- stay in frequent, close communication with the online Chinese teacher.

The course must be worked through in order and all activities must be done. Many of the self-check activities can be done over and over again which will serve very beneficial to the student who is motivated to use this course as an effective delivery system.

It is imperative that the student read all of the information in the About the Course area of this course before getting started. There is vital information in the "Welcome!," "Standards," and "Getting Started" sections.

Textbook

There is no textbook for this online course. The course materials are all online.

Software, Hardware, and System

The student's computer should meet these [basic system requirements](#). For help determining your computer's basic configuration, visit this [browser](#)

Requirements [check page](#).

Additional requirements for this course include:

- Adobe Flash Player version 6 or newer (latest version available [here](#))
- Sound recording software (details [here](#))
- A microphone for recording oral assignments (details [here](#))
- Chinese language pack for the computer's operating system if the pack is not already installed (details [here](#)).
